

For Immediate Release:

**InVite® Health is happy to be the Palisades Center Mall's newest addition;
Opening September 2018!**

West Nyack, NY - What other vitamin company has certified nutritionist's in-store and an AM radio program broadcast across eight stations from New York to Florida and many in between? **Only InVite® Health.**

InVite® Health is a unique health and wellness brand that combines innovative products, nutritional education, and a luxury retail store experience. Our brand has been developed by industry professionals – pharmacists, nutritionists, and other healthcare experts - who understand both the science behind vitamins and supplements and the need for quality in our industry. Our product line includes a wide selection of **vitamins, supplements, skin care products, and other natural health solutions.**

- Non-GMO Dietary Supplements
- Doctor and Pharmacist Formulated and Recommended
- Following strict cGMP (current Good Manufacturing Practices)
- Manufactured using state-of-the-art systems (Vcaps® & Licaps®), employing advanced delivery methods for superior absorption
